🏹 KINGSOT – F2P & LOW SPENDER GUIDE

(Based on KingshotGuides.com)

🧠 CORE IDEA

- You won't beat whales in stats
- You help by efficiency & alliance play
- Your value = rallies, troops, smart upgrades

🤝 YOUR ROLE (VERY IMPORTANT)

➡️ BE A RALLY JOINER

❌ Do NOT lead rallies early

✅ JOIN rallies instead

Why?

- Joiners still add troops + 1 hero skill
- Rally leaders need very high stats

Best Joiner Heroes:

- Chenko
- Amane

- Gordon
- Yeonwoo

Hero Goals:

- ⭐ 4 stars
- Max FIRST expedition skill

🏰 BASE & TROOP PROGRESSION

MAIN GOAL:

➡️ Town Center LEVEL 30

Why?

- Unlock T10 troops
- Higher troop tier = more rally damage

Tips:

- Always keep builders busy
- Gather resources when offline
- Low spender: 2nd build queue is worth it

═══════════════════

⚔️ TROOPS

- Train constantly
- Promote lower tiers
- T10 troops > everything else
- More troops = more rally value

💎 GEMS – PICK ONE PATH

❗ Don't split gems early

OPTION 1: VIP

- Extra march
- Faster build/research
- Daily mythic shards later

OPTION 2: HERO LINEUP (recommended early)

- Stronger in events
- Better PvP value

Tip:

Many players save gems and focus heroes later (Gen 3 – Petra)

📚 RESEARCH PRIORITY (ACADEMY)

FOCUS ON:

- Construction Speed
- Research Speed
- Extra March Queue
- Training Speed
- Troop HP & Lethality
- Gathering research

SKIP EARLY:

- Passive resource production

🏗️ BUILDING PRIORITY

UPGRADE FIRST:

- Town Center
