🛡️ KINGSHOT – IN-DEPTH HERO GEAR GUIDE (by GDKP)

═══════════════════════

📌 OVERVIEW

• Hero Gear is one of the biggest power boosts in the game

• Gear increases Attack, Defense, Health, and Lethality

• Proper gear focus matters more than spreading upgrades

═══════════════════════

📍 GEAR UNLOCK & SOURCES

• Hero Gear unlocks at Town Center Lv15

• Main gear sources:

- Arena Shop (Custom Gear Chests)
- Conquest rewards
- Events and limited packs

Gear rarity order:

Grey → Green → Blue → Purple → Gold → Red

═══════════════════════

📊 GEAR STATS – HOW THEY WORK

Gear gives two main stat types:

• Expedition Stats – used in world/map fights

• Conquest Stats – secondary, less important early

Gear slot bonuses:

• Helmet & Boots → Lethality

• Chest & Gloves → Health

═══════════════════

🎯 BEST UPGRADE PRIORITY

Upgrade in this order for maximum value:

1️⃣ Infantry Health (Chest & Gloves)

2️⃣ Archer Lethality (Helmet & Boots)

3️⃣ Cavalry Lethality (Helmet & Boots)

4️⃣ Then:

- Infantry Lethality
- Archer Health
- Cavalry Health

This order gives the highest combat impact early.

═══════════════════

📈 GEAR LEVELS & PROGRESSION

- Grey gear → Max Lv20
- Green → Lv40
- Blue → Lv60
- Purple → Lv80
- Gold → Lv100 (unlocks Mastery)
- Red → Lv200 (after Ascension)

═══════════════════

🔧 MASTERY FORGING

- Unlocks once Gold gear reaches Lv20
- Uses Forgehammers
- Increases stat multipliers
- Max Mastery = +20 (almost doubles gear bonus)

Use Forgehammers only on priority gear.

═══════════════════

🔥 ASCENDING TO RED GEAR

Requirements:

• Gold gear Lv100

• Mastery Lv10

• Mithril materials

Red gear unlocks Imbuement stats

(New bonuses every +20 levels)

═══════════════════

📍 ENDGAME PATH (F2P FRIENDLY)

• Most F2P players stop at:

Gold Lv100 + Mastery ~10

• Red gear is extremely expensive

• Focus on 3 main heroes only

═══════════════════

🏆 BEST PRACTICES

✅ Gear only your main march heroes

(Infantry / Archer / Cavalry)

✅ Merge low gear into high gear for EXP

✅ Save Mythic gear & Forgehammers

✅ Don't waste gear on unused heroes

✅ Arena Shop is your best consistent source

═══════════════════

⚠️ IMPORTANT REMINDER

- Hero gear ONLY matters when YOU lead a march
- Gear does NOT affect joiner damage
- Joiners only contribute hero skills, not gear stats
